1. You must have a current notary commission. The commission name is defined in [OAR 160-100-0020](#)
2. You must complete the [Remote Online Notarization training](#).
3. The vendor that you choose must meet the requirements set forth by the Oregon Secretary of State under [OAR 160-100-0805](#) and [OAR 160-100-0855](#). Your notarizations may not be valid if you use a vendor or process that doesn't meet all of the requirements in statute and rule for remote online notarization.

5. You must attach a PDF showing the stamp and signature from your RON platform. It must be your finalized stamp and signature applied to a sample document. There is a template certificate on the third page of this form.
6. The request will be reviewed and confirmation will be sent to your email informing you if the request has been approved.
7. Once request is approved and you have received acknowledgment, you may proceed with remote notarization.
8. Incomplete requests will delay the approval process.
